

TWELVE STEPS

By: Veronica Bartles

ISBN: 978-0999324103

Andi is tired of living in the shadow of her perfect older sister. She decides she needs a 12-step program for 2nd-class siblings. If all goes according to plan, she'll steal the spotlight (& the guy) from her sister. But her sister may not be as perfect as she seems, and the spotlight might just be big enough to share.
